Kent --

**Move LA Executive Director Denny Zane** spoke yesterday at Governor Brown's multi-agency symposium on "Rethinking Transportation in California." He was asked to talk about building winning coalitions around transportation initiatives -- given his experience organizing the coalition that helped win the 2/3 "yes" vote on the Measure R sales tax (that is providing \$40 billion for transportation improvements in LA County). Here's a video of some of our coalition partners and other friends and what they are saying re-thinking transportation in LA County -- with another transportation ballot measure in 2016!
